Austin, Texas 78732

Attn: John Males

John,

I wanted to thank you for the Assertiveness Training received here at International Print and Packaging. The tips and Techniques you taught will greatly improve my ability to manage a dynamic workforce and at the same time lower my stress level!

I appreciate you coming to our facility, I enjoyed the day and do believe my confidence in being more assertive in those tricky management situations has improved.

Sincerely

Simon Diver

COO
